Did you know that our club is celebrating its 30th anniversary this year? The Club Dorval 55+ Voyageurs was founded in 1988 by Roly Charland and a group of dedicated volunteers. Come and join us for a grand birthday party as we celebrate this important milestone at our annual Summer Luncheon. There will be **birthday cake** and a **door prize of a free day trip for two**, valid for one year. And as always, the luncheon will provide an opportunity for you to meet your Club Directors and to become better acquainted with your fellow club members.

The buffet lunch will be catered by **Chuck Bowman Catering**. On the menu will be an assortment of cold cuts and salads, rolls, a fruit platter and birthday cake. Tea and coffee will be served.

Please note that no refunds will be provided in the event of any cancellations and you will not receive a phone call.
