Dear members of the Club Dorval +55 Voyageurs,

On behalf of the Dorval Meals on Wheels group I would like to thank you so much for your very generous donation received in September 2023 in memory of May Tsunokawa.

Our group of volunteers deliver hot home cooked nutritious meals twice a week to senior clients in our Dorval South community. Donations such as this will allow the delivery of these meals to continue to be offered at a low cost to these senior and ensure that they may remain autonomous in their homes for as long as possible.

May was one of our dedicated and valued volunteers for many years and she will be dearly missed. She has always contributed positively to our community with her caring and friendly disposition.

We thank you again for thinking of our charitable local community program as one to honour May Tsunokawa with your donation. We are touched and most grateful for your support.

Please accept our deepest condolences for your loss.

Kindest regards,

Margaret Jones, Treasurer
